

List of Providers of German language courses

Language Center of the University of Rostock

<http://www.sprachenzentrum.uni-rostock.de/en/german-courses/>

The language courses are especially designed for students of the University and of the HMT. To take part in one of the courses, you have to pass a placement test. The language center provides courses with different focusses and also intensive courses.

Inlingua

<http://www.inlingua-rostock.de/unsere-produkte/kursuebersicht/deutschkurse.html>

Inlingua offers language courses during the day and in the evenings. To take part in one of the courses, a personal interview with one of the costumer consultants is required.

Study in Germany

<https://www.study-in-germany-info.de/>

Study in Germany provides mostly intensive courses for students or for people who want to improve their language skills before starting their studies.
